“ My husband and I were Arlean's neighbors for several years. She was the best neighbor anyone could ever have! She and I had many a chat over the backyard fence and shared a love of gardening. I saw the younger kids grow up, go to high school, and then spread their wings to leave home, and through it all, Arlean was patient, loving, and extremely proud of all her family members. I was so lucky I got to see her on a visit to New York in 2017. We hugged and shared stories, and even though I knew she was not feeling great, she smiled and laughed and joked for our entire visit. We always kept in touch and I will miss her terribly. We both send our best love and condolences to the family. She was one of a kind!

“ Arlean was such an amazing Grandma and Great Grandma! She was always so positive and proud of all her grandkids and great grandkids! Every time My wife and I had another baby she was always so excited to see pictures and as they each got older she was so happy to see any pictures we would send her. She took a great interest in her family and we always felt remembered by her. Our kids(her great grandkids) will always remember getting that birthday card every year that showed them that she cared about them even though she couldn't be there. She was a special lady that will be remembered fondly by us all.  
We love you!

“ Grandma,  
You were such a blessing to many lives, which included our lives. One of the best things I ever did was to reconnect with a family that was stolen from me, you were never angry or bitter about what happened in the past, but by showing your love you made up for the lost time. You were the sweetest, kindest, loving, most thoughtful

person! No matter how far we were apart we always managed to stay in touch with a message and sharing our adventures. I am so grateful we were able to see each other in October and that I had a chance to say goodbye on the phone. Thank you for being so proud of me and loving my family. I am happy that you are finally pain free, but you will be missed every day. Sending you our love and hugs as you used to say, RJ, Claire, Max, Amelia

“ Your Mom was a wonderful, cheerful soul. My parents loved her, along with your Dad. All the years knowing her in TTE, I always remember her smiling and happy. The world will surely miss a warm, positive lady. God bless her and all of your family.

“ Arlean was a wonderful, smiley and cheerful person! Everyone loved being around her and her joyful personality. I had the pleasure of bowling with her for many years.

Our family is proud to be related to Arlean through her marriage to my Mothers first cousin Ronnie Lovegrove.
