“ Bernie was my sponsor through a tuff time.  
His friendship and love was not wasted on me.  
Wonderful humor and a good example of sharing open life with another.  
He involved me in AA fellowship groups, favotate charities located on East Eagle St.  
Minister support and feeding the unfortunate.  
He always paid me genoresly as we turned over about 4 residences.  
He took time to make sure I was enjoying life while still honoring our commitments  
with our families.  
Susan and Bernie loved me when it was in trust that God loves those who love much  
and God forgives much to those who love much.  
By the Grace of God through Christ .  
Jesus said after talking to a man in hell ( Lazerius) you cannot warn others when you  
find yourself here. The divide is to great.  
Jesus said His best advice was not to serve money but to make friends.  
Our friends go to heaven and our treasures in heaven will be where our hearts end  
up.

“ To Sue, family, and the ALPS crew, I am so sorry and saddened by this loss, a  
Buffalonian to the core, I will never forget the time I worked with him and was given a  
VIP tour of how Buffalo once was. Bernie had a heart of gold, always treating me and  
my family like his own. He truly will be missed.  
Sincerely, Karen Eisensmith
