“ My thoughts and prayers go out to the family. I am saddened by the news of her passing. Mrs. Graves was my Girl Scout Leader for many years, and also for Constellation. I have so many great memories that I can say to have shared with her. She taught me so many things in life as a child and adult, that I am so thankful for. She had a way with words and her action speak louder than her words. She would never let us give up on what we were trying to accomplish in life. She was always there when you needed that extra push. She was an inspiration to look up to, as a child and Adult. I love her dearly, and she will be greatly missed!

Sincerely,
Amy Carozzolo (Carbonneau)

“ I first met Delmar at scout meetings with her sister Connie. They were such caring and loving ladies. I remember the jars of candy on her counters and her loving ways. RIP Delmar and pass around your love to all

May you all be comforted by the precious memories you have of her and carry them with you through the hard moments you'll face as you grieve her loss. “ Loved listing to the stories of the old lodge building on Oliver Street and the building of the new lodge room on Ruie. Had great times working in your booth at Canal Fest and the informal Corporate tent too. You save my life a few times. God Bless you
