“ One of my All time favorite patrons @ the NT Public Library! I also loved to watch him play tennis when I took a gym class upstairs from the tennis courts. He was always here with a smile. He will truly be missed.

“ My dad was the best. His moto was- When you work hard, you can play hard. And that's what we did. Mostly every Sunday we would go somewhere, before we started camping at Long Beach. We always had so much fun. He taught us a lot. I'll never forget- He was a great man! I'll Love him always!

“ I met Jack before I began my career at Curtis Screw through my (late) husband, Ralph. Jack always had a smile and a casual, lighthearted way about him. To say he loved sailing was right on the money. He was a gracious host and skilled Captain to all he invited to share his passion for the quietude calm water offered.

I'll remember Jack with fondness, great respect and his stories with many smiles and laughter.

Rest on ever peaceful waters in paradise, Jack.
