“ My deepest sorrow to John and his family. Always took my small engine repairs to 'Mr. Walsh' at his yard equipment shop. Sold me my Echo tiller, which I still use to this day. Always a joy to see and will fondly remember the visits to his store. Great guy. Will proudly be part of the Patriot Guard on Saturday.

“ So sorry to hear of Jack's passing. He was one of favorite clients on our Meals on Wheels route. He also did repairs on our lawn mower. Such a good guy! Doug and Margo Fronczek

“ He will always be Mr Walsh to me! Mr Walsh was that parent that always sat on the front step and watched all the neighborhood kids play wiffle ball in the summer and cheered us on like a fan! He was there with a smile when I wheeled an old scooter into the shop and told him it hadn't worked in 2 years, a few weeks later it was like brand new!

I will cherish these memories

May God watch over you
