“ One of a kind woman. She has raised me since I was in diapers and all though we have been through more than you can count on both hands, she never gave up and that smile and endless love never drifted away. I will forever be grateful for all she has done for me and others. Always went above and beyond for the people she loved. I can only imagine that she's up in heaven playing her slots and drinking her Tim Hortons watching over all of us. I cannot imagine what everyone is feeling as we've lost such a beautiful soul. You will forever be missed nani, more than you can imagine. We all loved you more than words could put together. I'm truly heartbroken I couldn't be there with her in her final moments but I'm also relieved she doesn't have to suffer anymore. love you forever and always
Your pain in the butt,
Toni.

“ We were lucky to have known linda!!! She was a special person, one of a kind!! She was always thoughtful , caring , loving, and kind!! We always laugh together it was special!! She taught me a lot, even with cancer, she was so positive !! We saw everything she went through with the cancer, still up beat and positive and still have a smile on her face !! If we didn't see it we wouldn't of believed it !! She was a remarkable woman !! On the day that she passed she had to courage to wait to see her daughter and her family before she passed several minutes later !!! There was truly an angel looking over her for the right time!! She will be truly missed , words can't say it enough !!! she's now in heaven !!God rest her soul !! And help the healing process for her daughter and son and her family!!! We love you linda!!!! Love Steve and linda

“ No words can express what this earthly world has lost with Linda gone. We hope and pray that she is laughing, eating, and drinking her triple triple coffee amongst other family members in Heaven. I don't understand why we have to lose such wonderfully pleasant people and endure the pain of the loss, but the heartache we are all experiencing just proves how much love we have for this woman. We wish we there. Please know how much we are thinking and praying for you Kimmy and family.

Love,
Scott & Amanda
