Lisa, if you can hear this, I've wanted to call you like 3 times this week to tell you something that would make you laugh that special laugh of yours.

I have been so blessed having you in my life. See you again and we can continue laughing and enjoying each other.

Love ALWAYS,

“ To the family of Lisa, you have my utmost sympathy for the loss of your sister. Every time I saw her at an event, she would run up to me and give me a kiss. I didn't know her that well, but she will be missed. May the Lord shed His light upon her and grant her eternal life. God bless you Lisa.

“ Although I did not have the pleasure of meeting her, I had the honor of getting to know her son Nicholas who is one of the most genuine and selfless people I’ve come to know. To all affected families I pray you find solace in this difficult time.
