“ My thoughts and prayers go out to the entire family. I first meet Marilyn when I started at “Long Term Care” (now SNF) at DeGraff, 43+ years ago. I’ll never forget the support and guidance she gave me as an 18 year old on her first nursing job. She was always had a love of nursing and was a great patient advocate. Marilyn introduced me to my dear friend Crystal and many members of her family. My heart goes out to all of you. Most of all I’ll remember Marilyn for her fun spirit and sense of humor. Rest In Peace.

“ Dear Crystal and all of Marilyn's family and friends,
We were so surprised and saddened to hear of your mom's passing. She was a wonderful lady, full of spunk and humor that helped her through her trials in life. Her dedication to nursing and those under her care was remarkable. Marilyn was one of my mentors when I was a new nurse and I was able to return the favor to you, Crystal. You more than made your mother proud, as did her entire family. May God bless you all with peace, understanding, and the knowledge that Marilyn is in His presence in perfect love and happiness.
We will always remember Marilyn and keep her, and you, in our prayers.
