“ Dear Lisa, Dave, Cathy and family,

We are so sorry for your loss. We enjoyed being neighbors and friends with both your parents. They were warm and welcoming to us since the day we moved next door. We enjoyed the many hours spent talking with them. Alex often expressed how proud he was of all of you and everything you did for him. He loved sharing his knowledge of gardening and his shared love of roses with us We will forever cherish these fond memories. May God grant you comfort in your loss.

“ Dear Dave, Cathy, Lisa and families,

So sorry for your loss. I loved your father and enjoyed his company. What I admired most about him was the way he loved children. I would watch him at our family functions and he would have a big smile on his face when he saw the children. Wish I could be there physically but you are in my thoughts and prayers. God Bless you all and may he Rest In Peace. Terry and Rich

“ Alex was a great neighbor and friend. I enjoyed hearing about his “wisdom”, how proud he was of everyone, Girl Scout cookies, tips on growing plants, his golfing trips and how he loved his family. I have many fond memories and he will be greatly missed. My deepest condolences to your family. Kelly

“ *Dave and Family,*

I am so sorry for your loss and wish I could be there Friday to express my condolences in-person but I have a prior commitment I cannot reschedule. Your dad has been in my thoughts since I left Fidelis and I have been getting updates from Ruthie. Please know my thoughts are with you and your family through this difficult time.
