“ I remember my Uncle Fred mostly growing up . He and Donna and Chip my cousins would come to our house alot. Sleep overs, swimming. Uncle Fred always made me laugh and teased his sister my mom Helen! All the uncles Aunts cousin would come over. Adults would play cards kids would hang together and play. Through the years we lost touch . But he showed up at my sons funeral in 2018 never easy to loose a loved one no matter when the good Lord calls. Rest in peace thoughts and prayers from your niece Colleen Burczynski (Doyle) Mills and family Riley, Keeton ,Colby

“ I met Al more than 24 years ago when my son met Allene. I enjoyed all the holidays and milestones we celebrated with him and Shirley. He was always so kind. He was such a hard worker and always pitched in to help them with projects. But what was important was that he was a great grandpa. The grand kids adored him and loved spending time with him. I know Ryan has a special place in his heart for Grandpa Al. He will be missed but not forgotten because he left a trail of memories for everyone to cherish.

“ My Uncle Freddy was so gentle and caring, would put a smile on my face just being around him. I have so many good memories of him, sharing talks, holidays and of course, playing cards. He will be so dearly 💖 missed.
