“ On behalf of the Leo Pullman family from the Sugar Bowl, we wish to extend our deepest condolences to the Hock Family for the loss of your loved one. The Pullmans attended school with the Hocks and were friends thru the years. Also, we were frequent visitors at the florist shop as well.

*God be with you at this sad time... and may his memory be eternal...*

“ I had the privilege of working with Allen during my early business career at Carborundum. I managed the Export Department and supported his international sales efforts. He was completely unselfish in sharing his skills and his experience with this "rookie." It would be difficult to place a value on the role he played in contributing to any success I enjoyed at Carbo. I am certain my experience with Allan was the experience of others.

*God will surely embrace this vey good man.*

*Thank you and RIP, Allen*
