“ *Lee,  
I wanted to let you know you and your family are in my thoughts and prayers. Just know your mom is with the Lord now and not suffering. I wish I could be there for you to comfort you in this sad time. Just know you always have a friend if you need any extra support. Take care of yourself and your family.*

“ We are all very sorry for the loss of your Mother, Avis. She was a very devoted and loving mother. We shared many good times with your Mom and Dad while you were all younger. I hope she didn't suffer too much with her illness and now may she rest in peace.

“ We extend our Christian sympathys to all of you children and grand children. Your mom was a very special lady - always smiling and fun-loving. We had many good times together when you children were growing up with our children. We often talk about the fun you kids had in your back-yard pool and, of course the dirt bikes!!!! You have many good memories to think about in the days ahead. God grant you His peace and comfort.

“ I met Alvis at painting class at the Tonawanda High School about 6 years ago. She was a delight to know and an extremely talented artist. The love she had for her family shone through her beautiful paintings. May they always bring comfort, peace and precious memories when you look at them and perhaps think she may be painting colors of the clouds from Heaven. In loving memory  
From all of us students and  
Larry Chirico from painting class.
