“ My Brother, I will miss our conversations, phone calls, trips to Buffett, and your trips down to West Virginia. You were richer than you ever knew, a man with friends is never alone. We were brothers by fate, but were friends by choice. Rest in peace my brother. Until we meet again.....I love you

“ *Dear Hall Family,*

I was very sorry to hear of how ill Andy was, the last time I spoke with Bill. You have been in my thoughts and prayers. I have fond childhood memories of our families spending time together, and have some understanding of the pain of losing those we love, too soon.

I am very sorry about your devastating loss, please know that you are cared about and prayed for.
