“ A day will not go by without thinking about Tony. I hear his "goofy" laugh in my mind, it wont go away!! There is a process to grieving, each of us do it diffretly. A family that has been torn apart for so long was brought together by somthing so tragic. I hope our family in some sort of "disfuctional" way become closer,maybe even grow to understand to love and care about each other the way a family should. I know this is what Tony would have wanted. Life is so short,and precious,remember the good times. Nothing will change what has happened,so please stop the negitive,its not going to help. Tony is in a better place now. If we have faith, we will all see him in time to come.

We are going to miss you Uncle Tony very much. LOVE, Brooke Dyanna Foss
