“ Barbara is my cousin. She's three days younger than me. We always teased each other who was older and who was younger. Lots of good memories. Playing together when we were kids. Fishing at the canal with sticks, string and safety pins. (We weren't supposed to be there.) We used to walk over the railroad bridge to Ellicott Creek Park. Cooked hot dogs-- We weren't supposed to be there either. Memories of playing cards with her, Aunt Bobbie, Aunt Joan, Mom and my sister. Picnics at thier back yard and getting together at my brother's in Wheatfield.. I'll miss you Barb. Love Kathy!!

Barbara never forgot our birthdays or anniversaries. She sent us cards for each occasion. She always sent a small gift or card for every holiday. We have quite a few magnets on our refrigerator. We always smile when we think about her. She will be missed.
