“ Mr and Mrs Blaszak were a very

important part of my childhood

and their sweet memories will

always be with me. I spent many overnights at their house with

Bonnie.

“ *I share your grief at the passing of your father. I can still see him replacing those kitchen window panes we broke playing baseball in your backyard on 15th Ave.*

And I recall when he built an ice rink in your backyard. And he dubbed me "kla dump, kla dump"!

The bonfires in the field when it was OK to burn your leaves and garbage.

I pray he's in a better place.

I remember playing with Dave, Gary, Cindy and Barb but Bonnie was way too young to play with us.

Send me an e-mail when you have the time, all of you... I'd like to know what you all are up to.

“ I am so sorry to hear of your loss.

I had the pleasure and privilege of working with Ben from 1977 to 1981. He is one of the two true gentlemen I had the honor of knowing in my career. I will cherish my memories of him, which always bring a smile to my face.

I hope it helps you to know there are many people whose lives were touched by Ben and I'm certain their thoughts are with you at this difficult time, as are mine.
