“ Uncle Benny you will be in our memories and hearts forever. The evenings Nancy and I spent with you and Aunt Sophie at your house on St Joseph Drive were great. You made Nancy feel very special. God Bless and our condolences to the rest of the family.

“ I am sorry once again for the loss to your family. This has been a terribly difficult year for you all and I hope that you find peace in knowing he is with his lovely wife and son. I have many good memories with your whole family especially at your Dziadzi's house. My prayers are with you all.
