“ Both my mother (Susan Kany), myself, and our families are praying for you and the rest of our family in this hour of need. But rest assured and know that she is with the Lord now and is in no pain. She lacks for nothing and has everything. She lived well. She loved all. And she laughed often. She had her faith. We will see her again! Love to all. Prayers of comfort to you all. Peace be with each and every one of you. God bless you all!

“ I am so sorry to hear that we lost Bev. She was a fantastic person. I worked with her at Summit. She was always willing to help me out when she could. She was very proud of her family. She spoke often of her children and grandchildren. I am glad that I knew her and I will miss her. I will keep her family in my prayers.

“ So many memories....from before her wedding to my uncle....watching their family grow, one by one....so many family celebrations and gatherings,many good ones, and too many "not so happy" ones....all memories of a lifetime, with loved ones who will always be with us, in our thoughts and in our dreams, until we all meet again, for the biggest Celebration of all.
