“ The day I met,John John at the Broadway Hotel, he was playing with his knife at the bar,he said spread your hand on the bar,and he jerk the knife between my fingers . Then he said turn your hand over,and he stabled my hand,look at me and laughed, said you want to stab me back,I said he'll yeah!! So I did,where he grabbed my hand in anger 😡 😡 , yelled at me,saying you think that's funny,of course, I said yes,and to my amazement, he cupped my hand and said GOOD! NOW WE ARE BLOOD BROTHERS !! Did a couple shots,and from that day on we were friends....thank God! Lol. Miss and Love uou my brother, Tom.

THE John maracle? The supposed self-described toughest guy on Oliver St. The guy who supposedly stripped off all his clothes and challenged anyone in the bar to fight him? In the end we all end up as worm food.
