“ I am very sorry to hear about Cals passing. We worked and had a great time together with all the other guys (Mike T, Skid, Rick, Al, Stan, JL, Joe C, Lou and too many more to mention) at DuPont and Olin for many years and formed life-long friendships. Cal was a great worker, a fun guy and probably one of the smartest guys that most of us ever worked with. Please know that we all mourn your loss with you...God Bless.
