“ Whenever our family came to North Tonawanda, I would hang out with my happy, sweet, cousin Carol. I also remember her at UB, visiting me at my dorm on Main St. campus. My hopes and prayers for her whole family, is that the happy memories of smiling, loving Carol will comfort her family in these hard times.

“ From age of 4 1/2 , Carol was my best childhood friend. We were together almost everyday .., bike rides, various crafts including making candles, sewing , decoupage. Carol was always very creative. My were always trying different crafts. We went from her pool to mine and laid on the driveway to dry off. Carol was a year ahead of me in school and always helped me get used to the new school year. Carol was ALWAYS fun to be with. We shared a lot of laughs and so much fun together. I will miss her very much. She was so nice to everyone. Sending positivity to her children and siblings. She made the world a better place.....
