“ Mark and Paul,

*Carol was my first friend in WNY and as you know our friendship continued for over 48 years. I remember how you all came over the very first day we arrived on Greentree Road with lollipops and a standing invitation to swim in your pool. Who else but Carol would have the have the courage to invite a new family with 4 kids under 5 years old!*

*During those early days she was most helpful in advising me about church, grocery and pharmacy stores and of course, good old Dr. Fuhr. I never had a yard to take care of before and sure enough plants and flowers were her favorite things to share.*

*She introduced us to a love of a new kind of music (violin and fiddle) and did her best teaching Carolyn and Terri who unfortunately gave it up after high school. She and Tony invited us to Kleinhans Music Hall as well as backyard string concerts and fiddling in Osceola. Friday night fish fries together became a weekly habit once you kids were older.*

*Most memorable were those early years when we spent Christmas Eve together. It started at our house because we weren't going "home". Carol reciprocated the next year and you know the rest of the story! As our families grew we graduated from our homes to the Sheridan golf course. Such fun memories!!!*

*So glad this website was still available so I could share some thoughts with both of you. Know this holiday season will not be easy for all of you. Your mom was so proud of you boys and you can be very proud of the remarkable person she was. John and I also extend our best to Kathy, Adrienne, and your children.*

*Hugs,  
Pat/Mrs. Lavin*

“ Carol was a part of my childhood and college years. She often opened her home to me on weekends when I went to Fredonia. She was a great teacher and a great woman. I can still smell her Italian herbs in the garden walking up the driveway. Thinking of you and your families, Mark and Paul.

“ Please accept Gary's and my sincere condolences. Carol took me under her wing when I was a brand new teacher. I learned so much from her about music, teaching, and life. We were privileged to enjoy her friendship. She and Tony have left a tremendous legacy in you boys and your families. Love, Gary and Paula Dorrell
