“ *The sadness that fills my heart that Charlie is no longer with us is only relieved by knowing his pain is gone. My only wish would have been to have shared his last days with him*

“ *Charlie, you will be greatly missed by our entire family. Although we only seen you on holidays and special occasions, we knew we would see you and you were always a special part of our family for as long as I could remember. I know that the last few years have been hard for you, we are thankful you are finally free of pain and discomfort. Rest in peace Charlie, you will be missed.*
