“ So sorry to hear about Charlie. Katie, who lives in Texas, just told us this evening and we were shocked. He was such a kind hearted guy who will be truly missed. As we were sharing stories we had to chuckle as we thought about what Izzy must be saying to him now. Our thoughts and prayers are with you and the children.

“ Chris and family...I'm so shocked and saddened to hear about my dear Charlie. I'm grateful to have met this sweet, generous man around 18 years ago and to have worked with him for all those years. I have so many warm, humorous memories of Charlie. We spent so much time laughing and exchanging stories about our beloved families. Please know you're all in my thoughts and prayers. Charlie will be dearly missed...he's left his impression on many, many people. My dear friend, i will remember you always.
