“ One of my favorite cousins. Our families spent a lot of time together in our childhood days. Kal was a hard worker and played harder. We will always remember him for the great help he was doing some remodeling in my house. Our Polish roots run deep .. Chris will be loved and missed by everyone who knew him. Rest in peace with the rest of your beautiful family. Til we meet again.. love ya

“ Kal was a good friend to all. Whenever Jim and I saw him, he always said to me “hey beautiful”I am really going to miss that. Kal and Jim always talked about music. Jim knows alot but Kal knew way more. When we walked into Partners we could ALWAYS tell when Kal was playing the jute box, he had great taste in music. Fly high Kal, we will miss you. You were a great man!

*I will always remember you hanging at my house with Lance, on Payne Ave. back in the day, and how good you were to my little boy, who is now 47. He loved you and so did I Chris, and we always stayed friends. Oh, the laughs we had and our "Zappa" days were over, but then we moved on to more contemporary rock and a little Zappa for old times sake. lol. You will sorely be missed by soo many, including us. Fly high my friend. Lisa D.*
