“ Although I did not know your mom personally, she must have been a terrific lady because her daughter Janice was one of my best teachers. To raise a person who is intelligent, kind, and caring requires all of those qualities and a lot of hard work! The legacy Mrs. Guzzetta left the world is through her daughters. Ms. Guzzetta, my second grade teacher, still has influence almost 50 years later. Today I was telling my 8 yo son about her positive “Think Bright!” classroom as he was trying to justify missing school. I wish every kid could have the Guzzetta influence in their lives! I am so sorry for your loss but hope the profound legacy your mom left brings comfort. Sincerely, Amy Blundell

That was supposed to be almost 40 years later...not 50!

“ Dear Claire and Janice..I would like to extend my deepest sympathy on the loss of your mom. My grandparents, the Wolf's lived next door at #60. When we were all kids, my brother and I used to play badminton with you in your backyard. My father was a part time projectionist at the Star for your father. I remember all the wonderful smells that would come from your home when your mom was cooking. Lucky to have her so long. Again my deepest sympathy on your loss. Jeff and my departed brother Tim

“ *It's so sad that our lives travel in different directions and we lose track and do not keep in contact with our families. I have many fond memories, as a young child, of Aunt Clara and her family. I am saddened to hear of her passing. Our thoughts and prayers go out to her family and friends.*
