“ My dearest american family, I am so sorry to hear about grandma, at first I didnt even know her name, she was just referred to as "grandma" or Alices mother. I was so lucky to get to know her a little bit when I lived with Alice for one year and she was such a caring and fun person. Im glad I got to meet her again when I visited Buffalo again 20 years later, my daughter also got to know her as we have both become a part of the Galvin family in our visits and my daughter always referred to her as grandma as well. Dear Alice and Beaty, Sandy, Jim and David, We are thinking of you and will light a candle here in our home in Iceland in her memory. love from Iceland. Steina, Ingo, Sonja, Brynja and Kolli.
