“ Dear Colleen. Even though I had not seen you in a while, your passing is a shock. There was never a time that when we spoke it wasn't great fun and laughs. I am saddened that you have left us in such a manner. I will always remember you in a fond way. Say a few good words on our behalf upstairs. May God Bless you. Your friend.

“ Colleen and I met working at City Hall and became friends. She was always laughing and ready with a smile. We spent a few elections outside bingo locations passing out flyers; even if it was cold, raining or snowing Colleen made it fun. We shared a lot of good to times to remember. My deepest sympathy to Colleen's family.

“ Through good and bad Colleen had a contagious smile. I believe she is still smiling. We played ball together so many years ago. Got our names in the paper for our "talents" more than once. lol. May be she had talent, I did not. Sincere sympathy for the lost of your sister, aunt and friend.

“ Sincere condolences to Colleen's family and friends. We met when she was about 10 years old. Always a smile and a cheer. Saw her at Active Hose chowder sales. Saw her anytime I went to Niagara County Building to cast a vote in an election. She'd have the page with my name on it, ready for me to sign, by the time I got to the registration table. A good soul was lost. I will always remember. RIP.
