“ *Dearest Cort...how you will be missed!! My heart breaks over losing such a wonderful man in this world. I will never forget your "copper hugs" and how you would smile in greeting every time we saw each other. I grew up with you in my world and now there will be an empty spot that no one can ever fill. I know you will be watching over us all and keeping everyone in line! Rest in peace my friend...*

“ *Helen and Family, Please accept our deepest condolences on the passing of Cortland. We will always remember him as a good friend and fellow fire fighter of the Lives and most of all the humor that he shared at the dances at the fire hall.*
