“ I miss his smile, God that smile...his awesome laugh and the way he made you laugh, his positive outlooks, his warm hugs, his generosity, his deep love for our family, his harmless teasing, his theories, his sense of humor, his love for babies and the way he'd make every child happy. I just miss everything! I'm blessed that he was my first little cousin with the curly strawberry blonde hair who I loved so much and loved to watch 😊☐ He made me laugh all the time. Dan, was a special kind of person and there will never be another. I love you so much cuz❤️ Sending hugs to you in Heaven ❤️☐

“ Dan was such a kind soul, willing to help anybody. He always had a smile on his face, always laughing and making you laugh. He had such an infectious personality that you were drawn to him, just wanting to share his space. I only wish that I had been able to spend more time with him, but will cherish the time that we had together. Rest in peace Cousin, you will be dearly missed.
