“ *I miss him even though I moved away years ago. We spent most of our childhood together as did our parents. We roller skated bowled and played video games constantly. I saw him about three years ago in NT which was cool. Take care Danny*

“ Danny, Rest in Peace ?. I have many happy memories growing up with you and Billy. We may not have seen much of each other in our adult years but y'all will forever be in my heart. I was listening to the radio this morning and they played FUNKY TOWN a song that I heard often blaring from downstairs when Grandma Hines lived upstairs and we were visiting for the summer. Along with our many picnics and field days together.

You are now in the presence of some very special people that we will also be reunited with on our day that The Lord has planned for each of us.

With deepest sympathy to Aunt Nancy, Uncle Lynn, Billy , Damara and Kilee, his wife Terry, his children and grand children.

Love

Karin (cousin)

“ I remember the times in High School where you made me laugh and smile every time you were around. We all had good times back in those days. And to this day I remember you clearly. Still have a video of you, Poco and Kirby at the Bentwaters bowling alley. I know you will be truly missed and you were truly loved.
