“ Momma Dani I remember when you first let stephen and I into your life. I thought you wouldnt love us but 7n years later I became your child who you didnt need to give birth too. I love everything you have ever done for me and I hate how you were taken from Tyler, Brianna, and Devyn the most. I promise you that I will forever remember you, I will tell devyn things of you and I will always love you. You were the best step mom I could ever ask for and I'm thankful I got to know you while I could. When I get married or if I watch Brianna graduate, I will know your there. I will live my life in your memory mom. And just wait till you see my next tattoo idea! Just for you ;)  
I love you mom, forever and ever
