“ *Oh, Nick, I am so terribly sorry to hear about David's passing. He
was far too young, so the news comes as a shock. It seems like
merely yesterday that he was so looking forward to marrying. He
was a lovely man. Please, know that he and you are, both, in my
constant prayer.*

Love, Janie

“ *Dave and I loved Dave .
He was a great guy. Always willing to talk to you. We had great times for yrs ..4 wheeling in Ellicottville. He was so excited to get married . My heart breaks for his finance. He spoke of her often.He just finished my daughters fireplace a few wks ago. The best in tile work.
Its gorgeous... He did the tile in our new house. We will think of him often. He is everywhere in our house.

“ *Back in the day when we were in Junior High and Senior High there was a band that played at our school dances called Albatross and the lead singer was Dave Granat. Dave always sang Down By The River at every gig and nobody ever covered it better. After not seeing Dave for probably 40 years or so I ran into him when I worked at Home Depot and he was amazed that I remembered him and him singing in the band and in particular, this song. The world lost a great great guy and someone I will always remember and cherish as a great friend. RIP Dave Granat, you will be truly missed.*
