Hello Debbie, I'm so sorry to hear about David and also about your Mom and Dad and Tina - I didn't know about them passing away. You were all so young when I met you (back in the 70's) and I remember one time David somehow came to Buffalo and got lost. He ended up at Precinct 10 (when it was on Niagara St.) and had them call me to come and get him. Not sure how old he was then and also don't know why he had them call me except he remembered I had been Richard's girlfriend, but it was kind of funny. I took him to your Grandmother's house where he was headed in the first place! He was a funny and cute kid and that's my memory of him. So sorry for your loss.

“ *Today I decided to forgive you.
Not because you
Appologized, or because
You acknowledge the
Pain that you caused
Me, but because my
Soul deserves peace!
Maybe I was angry you didn't come say goodbye to dad!...You
made promises to come watch football with him and he was
confused and forgetful but there were days for a brief minute he was
100% alert and knew everything...too many maybe'sjust
because I didn't talk to you after that ...it didn't mean you weren't my
Brother!! I think you now know everything because you are up in the
sky!!!!...*

*Give mom & dad a hug for me!!!! ..and all our pets we've lost!!! I
believe your in a better place now...I'm almost jealous you get to be
with "Dad" and I can't...
Good bye David!!!! Dance with the Angels!!!!*
