“ Dad, you will be missed and loved so much not only by Ken, axel, Jenessa, Logan and I, but from many others. I just want to say thank you for all the support you had given the family. You were a great dad, father in law and grandfather. You got your wish though..... the day Ken and I surprised you and mom with Ken and I having a baby, you hoped for a boy and guess what???? You got your little grandson. He talks about you all the time and has soooo many pictures of you and the family on his play phone. Axel now looks up to mom everyday, all day long... I also want to thank you for raising such a great man. Ken turned out to be an amazing father and husband. I Thank God everyday for that! You and mom did great raising all the kids and now we are always checking in with one another everyday. We love you so much and think about you constantly. Love Always and Forever Ken, Kristen, Axel, Jenessa and Logan. ❤️
