“ *Rest in peace Debra Fay. It would take an infinite number of words to express our relationship we had and all the wisdom and knowledge you instille in your children and me. At the very least I want to express my thanks for the wonderful life you have provided for Michael, Eric, Tricia, Trina, and Ryann. You will be sorely missed by the many people whose lives you have touched. A part of your soul still lives within us. We will all carry it with love and pride. I'm very sad to see you leave this world, but I know you are on your way to heaven and your suffering is over. You have finished everything you needed to accomplish in this world and you leave a legacy of love of family, kindness, compassion, generosity, responsibility, hard work and a passion to have fun!*

*Good bye. I love you!!*
