“ *What i do not understood is in truth how you are not actually much more neatly-liked than you may be right now. You're so intelligent. You know therefore significantly when it comes to this topic, produced me in my view imagine it from a lot of varied angles. Its like women and men don't seem to be involved unless itâ€™s one thing to do with Woman gaga! Your own stuffs nice. At all times deal with it up!*

“ *Judy, Bob & Danny,*

Though we didn't socialize very much, the times my father and I were invited to your parties were very memorable. I will keep you all in my prayers. Denny was an awesome guy!

Denny is gone but he will live in our hearts and minds until it is our time to travel on to our next destination. You could not ask for a better friend , a person who would do anything for you and want nothing in return. We were treated not like good friends but like family. The memories we have are too many to mention, from camping to Florida and of course it's party time. Denny is gone but not forgotten and we will meet you and all of our departed love ones shortly.

Missing you greatly

You guys are like family. I remember calling you "Aunt" Judy and "Uncle" Denny. You and Denny gave me one of the best gifts ever for my first birthday, Czar! Growing up, I can't remember a weekend we weren't all together. Either watching wrestling events or fights on Denny's big screen tv, running around your driveway, playing duck hunter with Danny in your basement, and riding my bike at Spruce with Chris and Danny. As the years went on, Denny and you continued to be a staple in my life. When I turned 16, Denny made sure my parents had a nice, reliable, working car for me. He was always there for me and gave me advice and help with cars. Good times were had by all from the chowder parties to playing corn hole in your driveway. And yes, Judy, you are one of the best corn hole players, but I still consider Denny the secret ace of the game. Denny will be missed greatly and will always be remembered in our home because Tom loves watching the war documentaries he gave him.

Love you!

“ *Judy, you and Denny have been our best friends for the last 13 years. We will cherish all the memories of the garage, snowmobiles, Virginia Beach, camp, cottage, long talks around Bon fires, finishing Denny's puzzles, frying turkeys, smoking meats, playing wii, chowder parties, drinking beers, and last but not least, playing Cornhole! You have been our family too! Sharing in the joys of weddings and new babies, and also being there for the sorrows of broken relationships and deaths. We love you and will miss Denny tremendously! We will always be here for you, Bob, and Dan.*

Love You!
