“ *Just want to let you know how much he is missed. My brothers were flag bearers for Junior Mission Band and VBS at St. Martin's Church with Dennis. We all know how active he still was in the church and every time you had an event he was there. Sorry I did not hear about his passing but send my sympathy to the whole family. Will remember seeing him at all the activities in the church. Fun to see him play the accordion at one of the community dinners, Beatrice (Stoelting) Hapeman*

“ I did not know Dennis for a very long, but him and his wife Karen use to come into my work almost every week, they were my favorite couple to serve, always the same drink for him, a nice cold glass of Southern tier IPA, and a chocolate milk for her. It saddens me to think he will no longer be with us and I will dearly miss chit chatting with him and his jokes that always lightened my day, no matter how dreary it was at the start. His memory will live on through everyone that loved him.

“ I was so sorry to hear about Dennis' death. My friend, Janet, saw it in the paper and messaged me. We were involved with Area Luther League and Area Choir. I will let my dad know.

“ Just remembering all the times we shared together a beer, family gatherings and church news. I still see him presenting St. Martin's history at the anniversary celebration a year ago. Thankful for his commitment to the Gospel and faithfulness to the Church: "Well done good and faithful servant!" God's love and compassion enfold family, friends and St Martin congregation in our sorrow and grief as the good news of Jesus' cross and rising sustains us and fills us with hope in the midst of our sadness. My prayers are with everyone in the coming weeks.

“ *Dennis was like a brother to me. Always called me sis. My biggest memory was when we where little, we use to go in the chicken coop, and crawl out the chicken whole. I still have pictures of it, I would share them but don't know how to get them on here. Love you brother.*
