*Dolores was my neighbor and I had great respect for her. She had such a positive attitude. I hope I can be like her when old. She didn't want anything to do with the pills they force on seniors and neither will I. She valued her space. I always enjoyed talking to her. I am from a large family and so related to her situation. Her daughters Amy, Linda, and Joanne were there for her. I'm still next door and if any of you need help with anything at all, please let me know. Prayers for Dolores. She sent a prayer card to me when my Dad and Mom died not so long ago.

“ Your mom was such a huge part of my early years growing up on Rosewood. When I would see her in the community many, many decades later we would both break out in smiles in recognition of time past. May your family be blessed with happy memories.

“ I am so sorry to hear of Mrs. Keleher's passing. She was a nice neighbor the entire time I lived next door. We would talk many times over the fence or over the bushes. Even after I no longer lived next door, I would run into her at the grocery store and we'd pick up where we left off.

I'm sure that the days ahead will be very sad, but may the beautiful memories of her wipe away your tears. Rest in Peace Mrs. Keleher
