“ Betty, Monica and family, I am so thankful that I had the opportunity to get to know Don. He was a great kind man which I know you already know. He loved you both so much and told me often that you two were his rocks. He really was more than just a patient to me I will truly miss him

“ I use to be Don's secretary at Adelphia Cable. He made our days happy and bright. I made mistakes all the time and he had the patience of a saint with me. My favorite memory is when he was talking on the phone and he leaned back and he fell off his chair. I never laughed so hard in my life. He go up, and just continued talking on the phone like it was nothing. He was a funny guy. A good man.
