“ My sincerest sympathies to Donald's family. This may be among the more unique tributes to Donald since I never met him. However, we shared a unique passion. Both Donald and I loved this 50 year old game called Jokari. For two years, Donald was my dealer for strings and balls. I would send him an email and payment and he would get my Jokari "fix" out to me right away. A true gentleman. I am grieved that he has passed. God bless the Sauter family in its time of grief.

“ My deepest sympathy to Don's family. Don and I were friends for over 50 years. We met as students at Cleveland Hill High School and became good friends. We attended the races in Oswego, N.Y. and made a lot of memories at Capolla's bar on Harlem Rd. We were also members of the Carpenters Union. It's been many years, but the last time we were together, we had a great conversation about life and how fast time passes us by. You will be sadly missed. Rest in Peace my friend. Mike Hanley

This is Don with my son Jace. Jace loved Don so much that he spontaneously started calling him "Poppy Don" when he was two years old. Don was as kind and generous a "Poppy" to Jace as he was a friend and mentor to me. He taught me to laugh as loudly as I damn well please, and always to enjoy the people I'm with. Thank you, Don
