“ Just learned of Donna's passing. I worked with her for many years as a volunteer at Harris Hill. She was a very nice lady who helped put me on the path I'm on now. Donna was a big part of why I kept coming back to help out. May she rest in peace. My condolences.

“ I send my deepest condolences to Donna's family and friends. Donna was considered a family member to myself and my family. She was always there when I needed her or came into town to visit. She always made time to see me and kids. She was special to me. We laughed a lot and that will always be in my memories. I miss and love her dearly. She is the most loving, caring person I have ever met. She always put other people first. She will be deeply missed. I love you Donna.
