“ Dean I am so sorry to hear this about your Mom. I have so many fond memories of her. I always loved all the ceramics she made for me and all the kind things so did for me over the years.

“ Extending deepest condolences to Nelson and the family on the loss of your beloved Dora. I have known Dora since we were very young at Goundry School, and her birthday was the first I ever attended at age 5!

Loved running into them grocery shopping. A classmate of our 1953 NTHS Class, she will fondly be remembered. May your cherished memories sustain you in the coming days. Eternal be Dora's memory.

This special lady will be greatly missed.

God be with you all. +
