“ *I am in shock. I work at the Senior Center and have known Doris for 7 years. She was such a wonderful woman and was a constant volunteer willing to help no matter what.*

I was out of work for 10 weeks for a surgery and came back and wondered where she was. I had learned she had some medical issues. I called her and we had a nice chat and she said she missed me and would see me when she was able to get back to the center. Sadly and with a heavy heart I say I never got to see her again. I am grateful for that phone call and for all the laughs we had over the years. I am comforted by the fact that she knew the Lord and that she is home with her heavenly father. I pray for strength for all who loved her.
