“ *Ms. Dee Dee was such a loving bus driver. She took good care of our children and grandchildren. We were shocked and saddened to hear of her passing. My grandson is starting Pre-K this year and it won't be the same without seeing her smiling face pulling in to pick him up on his first day of school. You will be missed!*

“ *Miss DD was my favorite bus driver. She was nice to us. Every morning she said, "Good morning, how are you?" She made me happy. We loved Miss DD and will miss her. We will remember her everyday.*

“ *My children and I were sad to hear about DD's passing. I will miss the way she would greet my children with a hug a smile and always kind words. She loved the children that she worked with and they loved her. That was always apparent. Thank you DD for just doing what you did! You will be sadly missed!!!!*

“ To the family I am sorry for your loss. Please enjoy my personal feelings below. When the road we travel has come to an impasse, our family may suffer the loss in different ways, tears, silence, or screams. Nevertheless, when the moment passes in your mind of your loved one moving on without you, please rejoice for the moments we had together are many and there laughter will fill your heart with my love. The same love I have had for you all these years and beyond to the stars above.... I will only be out of sight not out of your heart and mind. From the heart of beth to yours hugs...
