“ Dear Uncle Red , Holly, Jim and Dave
I dont know how our family got so lucky to have someone like your dear sweet wife&mother in it. There are no words that can truely express or honor the greatness of this sweet kind soul whom we are so blessed to call her our Aunt! Loving, kind, fair, strong, sensible, funny, feisty, a confidant, trustworthy, and so caring are just a few words that can begin to try to express who she was. How fortunate to have been blessed by God to have Aunt Dorothy in our family! The love and respect between your folks and the example of that trickled down to you three and then down to your children and so on, is quite clear. But it doesnt end there, we all also have been touched and affected by this, we are all better people because of their examples. Their love is contagious, and addicting. You just wanta be in the presence of it, to experiance it, to feel it and of course to dream of it.
My Aunt Dorothy was someone ive always looked up to with pride. I wanted to be the mother she was, the person she was! She taught me so much about life and how to let go of the bad and hold and keep the good so tight that there wasnt a doubt in your mind you were doing it right! Thank you Aunt Dorothy! Thank you for everything you've done for all of us! But mostly thank you for loving us and being the best example we could dream of. Until we are reuntied I will long for you everyday!! You are not just an Aunt you were my second Mom and i miss you terribly already XO💜😭💜🙏
XO
