“ A good heart has stopped beating, a good soul ascended to Heaven.

To All Doug's Family & Friend's

I wish I could take away your pain and heartbreak, even though I know I can't I want you to know that I am thinking of you and your's and praying for you to get a small measure of comfort that you will see him again in the future. I truly believe that. He is with the ones who have been lost to us in the past and now we have another guardian angel watching over us.

I am honored and blessed to have known Doug. He was truly a blessing in my life. A ray of sunshine, and I will miss him dearly. I extend my deepest sympathies, may Doug's soul be at peace with our Heavenly Father.

*My condolences,
Cindy Wynkoop*
