“Daddy, you are the greatest father a daughter could have ever asked for. You are my pillar of strength and wisdom and will forever be in my heart. Thank you for a life filled with love and for always seeing in me what I could never see myself. You will be remembered always and live on throughout my life. I know you will always be with me no matter where life takes me. I love you poppy.

“My condolences to the Kittinger family for your lost. Your memories of your loved one will sustain you in the days ahead. I know my mother would be heartbroken to hear of her brother's passing, as he was her closest brother. God speed to Uncle Butch and to his family..
