“ Dear Sattelberg Family,

*I worked with Doug for many years at Harrison. He was a very talented person and a good friend. I was surprised and shocked to learn of his passing. We were part of a team which developed a new air conditioning evaporator for which we were awarded a Boss Kettering Award ( we were both awarded \$10,000). We were also inducted into the GM/Delphi Innovators Hall of Fame in an elaborate ceremony in Delphi Headquarters at Auburn Hills Michigan.*

*I tried to attend the wake on Sunday but was given wrong directions and ran out of time to make it.*

*Doug will always be in my prayers. You can be very proud of him.*

*Jim Farry Retired GM Research Engineer.*
