“ All the movies that brought Ed all those times of laughter and entertainment. Those happy times will not be forgotten by those who loves him. May you gain comfort to know that we have a wonderful promise from our creator at John 5:28 which Jesus said do not marvel at this all those in the memorial tomb will hear his voice and come out. What a wonderful time that will be. Revelation 21:3,4 no more sickness and death, no mourning or outcry. May the loving memories keep you in this time of sorrow. Sincerely,
